Federal Communications Commission
445 12th Street, S.W.

RE: **ET Docket Number 00-258**
FCC 00-455

Dear Secretary Salas:

It is my understanding the Federal Communications Commission (FCC) is now considering the type of spectrum to use regarding the next generation of cellular phones.

I would like to go on record opposing the usage of the ITFS spectrum for third generation wireless services. Halifax Community College needs usage of the ITFS spectrum for programming purposes.

Sincerely,

Dr. Ted H. Gasper, Jr.
President
